N. B. It appears by the above Estimate, that admitting South-Sea Stock should sell at 160 per Cent. as above valued, and that all the Debts due to the said Thomas Reynolds prove good, there will remain to himself, after his own Debts paid, and Satisfaction made for the 1000 l. (His Estate in Lancashire being a Gift to him for Life, and his Share in the Office in Barbadoes, held under his Majesty's most Gracious Grant.) From all which he humbly hopes it will appear that he hath had no Design to enrich himself at the Expence of the Publick, or any particular Person.
